

It was certainly a good messenger who brought the news to your house that Ayer's Sarsaparilla makes the blood "rich and red." This means so much to those who are thin, pale, feeble, weak, and nervous. After Ayer's Sarsaparilla has cured you, carry the glad message to a friend or neighbor.

Perhaps you suffer from the effects of a warm climate. Prolonged warm weather seriously impairs the strength of many people. The digestion is slow, and the liver becomes sluggish. Impurities in the blood accumulate and cause that feeling of downheartedness and depression.

AYER'S Sarsaparilla

is of the greatest use in such cases. Its purifying, strengthening, and up-building properties will be of inestimable value to you.

As now made, Ayer's Sarsaparilla contains no alcohol.

There are many imitations Sarsaparillas.

Be sure you get "AYER'S."

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., U.S.A.

SPORTS

BY JAMES W. W. BREWSTER.

PLAYERS ARE ALL READY FOR GAMES TOMORROW

The final preparations for handling the big crowd that is expected tomorrow afternoon at Athletic park in the opening games in the International baseball series with the Waseda University team that arrived yesterday have been completed, and with good weather every inch of space will be taken up by the fans who want to see the crack Japanese team in action.

No trouble or expense has been spared by the management to make the afternoon a complete success, and judging from the daily practice indulged in the past two weeks, the local teams will go into the games to uphold Honolulu's reputation as a baseball town. If yesterday's informal reception to the Waseda team is any criterion, they will receive an ovation when they trot out on the field tomorrow, that will eclipse any former ovation given to baseball players.

In view of the immense crowd expected, the management have provided extra seating capacity that ought to be sufficient for the fans expected, although a large number will probably be obliged to stand during the game. The box plan of reserved seats which was opened the other day has been entirely sold out, which will mean that nearly a thousand people will be able to see the games under cover, while at least four thousand more will be on the bleachers and along the side lines. The arrival of the Kelo team three years ago, did not cause the interest that the Waseda caused yesterday. Every man, woman and child that could possibly get away yesterday was on hand to witness the informal reception tendered the visitors.

Honolulu has always been known as a baseball town, but yesterday the people regardless of nationality were talking nothing else but baseball and trying to figure out the chances Waseda had against the local teams. The first game tomorrow at 1:30 between the J. A. C.'s and Marines ought to be a battle royal from start to finish as both teams have weeded out their weakest men, whose places have been taken by those who are old timers on the diamond. Kealoha and Gibson will do the twirling for their respective teams, while the rest of the line up of both teams will be as strong as any minor league team has ever had in Honolulu.

The chief game of the afternoon between Waseda and a picked All Oahu league team, ought to give the fans an idea of what the Japanese will do against the other teams in the series. The Oahu College Alumni team will be a hard combination to beat, as most of the players have played on their college teams on the mainland; although none of them have played together as a team here. To predict the winner of the series is almost impossible as all the local teams in the series have proved what they can do on the baseball field, while the Waseda players are an unknown quantity. While the series last the fans are assured good baseball, and for the sake of the sport it is up to the local lovers of the game to help make the 1910 international series a success.

Japanese Consul General Uyeno will pitch the first ball in the second game tomorrow, while Berger will lead the band in playing the Japanese national anthem in honor of Honolulu's guests.

GOOD BALL PROMISED.

This afternoon at the league grounds one of the regular scheduled game in the Military league will be played, the teams that will play being Marines vs. Fort Ruger, the second game will be between the National Guards and a picked team from the cruisers Cleveland and Chattanooga.

Barry who has been always anxious to have his crack military team in action with a navy team, is directly responsible for the second game which promises to be exciting.

The regular game which was scheduled between the Guards and the Hospital Corps will be played at the end of the present series. When Barry heard that the sailor lads wanted a game with his "pets," he immediately went to the officials of the league and asked permission to play, which was granted. Judging from the past games played by the Marine and Fort Ruger teams, the former team should win without much trouble.

The second game should be won by the Guards judging by their playing in the past, although the cruiser men are likely to surprise the local players.

Tomorrow at Lihue the Shafterites will play the Cavalry players, and

a good game should result. Today's games will be started at the usual time, and if good weather prevails the grounds should be well filled by the sailors from the ships who will no doubt try every means to outoot their rivals.

HONOLULU-KAHULUI RACE.

Promptly at two thirty today the yachts Gladys, Helene, Kamehameha and Charlotte C. will start off the entrance of the harbor for their race to Kahului for the cup offered by the Maui yachting enthusiasts. Early this morning the fast power yacht Kulamann with a party of yachtsmen, left for the Maui port to be on hand when the yachts arrive some time tomorrow. Taking into consideration the past performances of the Kamehameha, the fast sloop should win the race with time to spare.

Great plans have been made by the Maui yachtsmen for the entertainment of the Honolulu enthusiasts, and those that go as guests on the yachts will probably never regret the discomforts of the hard beat through the Molokai channel.

According to the rules, the yachts will be obliged to leave Molokai on their lee, which ought to mean fast time if the wind is strong. The return from Maui will be made in time to arrive in Honolulu early Tuesday morning.

EXCITING RACES ASSURED.

Every one on Maui who is able to be at Wailuku on Monday will be treated to some fast and interesting horse races according to reports received in the last few days.

The horses who are entered in the races arranged by the Maui Racing Association have been doing good work in practice, and before the program is complete some new times are likely to be made if the track is in good shape.

A large number of people are leaving tonight on the Kinai to be present at the races as there is nothing doing here in the same line on Monday.

Major Collier, one of the fastest horses in the islands, is running better than ever, and his owner feels certain that he will be able to win the majority of the races he is entered in. The races will start early on Monday as this year's program is much longer than in any previous meet.

HONOLULU VS. CAVALRY.

Lovers of the game of polo will be able to witness a game this afternoon at Lihue between Honolulu and the Cavalry four, that promises to be a very fast game from start to finish. Eight of the best players here left on this morning's train to be on hand in time to limber up for the game that ought to be close.

The next game between these teams will probably be played at Moanalua July 16.

Every member of the Oahu team is confident that he will be able to help his team to victory, while the Cavalry players are just as sanguine.

GOLF AT COUNTRY CLUB.

The members of the Country Club who are fond of the ancient Scotch game of golf, will have plenty of time on Monday to compete in the team tournament that has been arranged by the greens committee. Suitable prizes worth winning have been secured to be awarded the winners.

The bus will make regular trips to the club commencing at nine o'clock from the end of the Nuuanu car line. A special luncheon has been arranged for the large number of guests who are expected to be present at the club during the meal hour. Entries for the tournament will close at the club at ten o'clock, play commencing immediately afterwards.

BIG FIGHT RESULTS.

Arrangements for the returns of the Jeffries-Johnson battle at Reno on Monday have been completed, Jack Scully and Dick Sullivan being the gentlemen who have considered the interests of those who have been unable to see the fight in person. As soon as the fight is started, the special service wire leased by the above gentlemen will start sending in the accounts of what promises to be the greatest ring battle ever fought in the world.

Very little betting is being made in Honolulu over the outcome, but from the general talk about town, Jeffries is the favorite. Nearly every one realizes who Jef-

fries is up against, and they also know that if Jeffries wants to win he will have to win early in the fight as the big negro has a better chance to win after the tenth round on account of his staying powers. The fact that Johnson was unable to defeat Tommy Burns within the limit makes the followers of Jeffries feel more confident.

Allowing for the difference in time Honolulu people should hear something of the fight shortly before noon.

OUTRIGGER CARNIVAL.

The flooring for the new Outrigger Club house is completed and there will be a big opening Monday evening. Charles Royal and his company of forty performers present in the theatre constructed for the occasion, minstrels, vaudeville and a one act Outrigger play. After the show there will be dancing on the floor of the big lanai and at the Moana hotel.

On the afternoon of the Fourth there will be a regatta and the canoe surfing contest for the Clark cups. The following is the program of events, beginning at three p. m.

1. Juniors six paddle race. 2. Seniors six paddle race for Spaight cup. 3. Sailor six paddle race. 4. Boys three paddle race. 5. Seniors four paddle race. 6. Two paddle race for boys and at five p. m. canoe surfing for the Clark cup.

The big lagoon lanai of the Outrigger club, now completed will be thrown open as a grand stand during the afternoon and chairs provided for all who hold tickets to the evening entertainment. The entire course will be visible from the Outrigger lanai, for the canoes will all follow the new triangular course. The sailor boys from the Belgian ship, the Chatanooga and the Cleveland are out practicing and this race promises to be as exciting as any, except that of the senior crews of the club for the Spaight cup.

There will be refreshments served on the grounds, but the evening entertainment doesn't begin until eight o'clock when Royal will ring up the curtain on his minstrel show. He has written a number of new local songs for the entertainment and Baby Elliott will sing the most catchy of these "Oh You Outrigger Kid."

COMING EVENTS

BASEBALL.
+ July 2—Marines vs. Fort Ruger
+ N. G. H. vs. Hospital Corps.
+ July 3—Fort Shafter vs. 5th Cavalry
+ July 3—J. A. C. vs. U. S. M. C.
+ All Oahu vs. Waseda

Mr. T. Seymour Hall.....Secretary
Mr. Malcolm MacIntyre.....Auditor
Mr. William Lanz.....Director
Mr. R. A. Cooke.....Director
T. SEYMOUR HALL,
Secretary E. O. Hall & Son, Ltd.

WOULD BE MURDERER IS BAD SHOT

Namura, a driver employed by Miss Rose Davidson at her dairy in Manoa Valley, was the target for several shots fired by some person unknown to him and the police at an early hour yesterday morning.

Namura was not in his own room at the time of the shooting which perhaps is the cause of his not being killed although the would be assassin fired several shots through a window which barely missed Namura and two other Japanese who were in the servants' house at the time.

Neither Namura nor his friends can account for the attempt at murder. As soon as the matter was reported to the police an officer was sent to investigate the outrage but found nothing that would give any clue to the man or men who had done the shooting.

A few weeks ago an escaped prisoner from the county jail entered Namura's room and stole some clothes and money, but as Namura was not responsible for his recapture it is doubtful if any of the prisoner's friends was guilty of the attempt to put the Japanese out of the way.

A close watch will be kept on the Davidson residence for several nights, and if another attempt to kill is made, the chances are that the would be assassin will be caught and placed where he won't have a chance to carry out his intended crime.

Namura has always borne a good reputation among the residents of Hanalei who are unable to account for the attempt on his life.

EVANGELISTS FOR PROHIBITION

The following resolution passed unanimously, brought to a close the annual meeting of the Hawaiian Evangelical Association, at Kailua from June 25 to June 30, the Honolulu delegation returning to the city by the Mauna Loa yesterday.

"The Hawaiian Evangelical Association, assembled in celebration of the ninetieth anniversary of the landing of the pioneer missionaries at Kailua, Hawaii, reaffirms its past declarations in favor of the prohibition throughout this Territory of the manufacture, sale and importation of liquors of every kind;

"It reasserts its condemnation of the saloon as the inveterate foe of the church and of all its agencies for the betterment of the community; "This association, moreover, pledges its members to the most earnest cooperation in promoting the cause of prohibition during the few weeks remaining before the special election of July 26;

"It calls upon the men in all the churches represented in this association to cast their ballots in favor of instructing the next legislature to enact a prohibition law for Hawaii. "It requests that these resolutions be read in the one hundred and one churches of this association, and that prayer for be offered continuously in every church and from every family altar in the land."

THE BREAKING POINT.

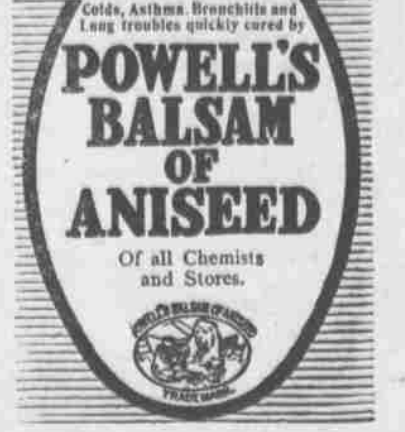

On the street car, sitting side by side, were two men of about the same age. Their countenances were gentle and benign. Truth and integrity shone from their eyes. You felt that you could trust them on sight. They looked at each other and felt drawn together. Presently one of them remarked: "If I should tell you that down by the river this morning I saw a steamer jump out of the water and right over a barge without doing the least damage, would you believe me?"

"Absolutely," was the prompt reply. "Thanks. If you should tell me that you saw the city hall walk off a block and turn around I should believe you." "Thanks." "But, sir, I am soon to go on my vacation." "I shall go fishing." "So shall I." "I shall catch fish weighing at least five pounds." "Same here." "Perhaps 10 pounds." "Yes." "And later on we shall meet and I shall tell you about it." "And you—" "And I will tell you." "And, sir—and—" "And we will call each other blamed old liars, of course!"

EVERY MAN HIS OWN DOCTOR.

In a great many of the common ills of life the average man with a few reliable remedies at hand can be just as successful in relieving the sufferer as a renowned practitioner. Emergency remedies should be always at hand. Many times doctors' bills have been saved by having a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy in the home. No doctor can prescribe a better remedy for colic or diarrhoea. For sale by all dealers, Benson, Smith & Co., agents for Hawaii.
